Menai Strait 2021 Regattas Cancelled!

It is with deep regret, that your committee have had to cancel the 2021 series of regattas held on the Menai Strait.

Each club have examined the Welsh Covid sailing guidelines including health and safety, and have found it impossible to run the event in the way our members would want.

Our large number of sailors and supporters place us under the responsibility of SAG (Special Advisory Group) and as a result we are unable to fully comply with all the guidelines and regulations.

Your Committee are fully supporting and committed to next year's 2022 regatta, when we hope to welcome you all back, and make it an even bigger and better celebration of sailing.
